A LITTLE ABOUT ME

Hello!

My name is Claire Huckenpoehler (Ms. Huck), and I will be your child's special educator for the 2023-2024 school year.

This school year marks my 3rd year at Lansdowne Elementary, and my 10th year in the field of special education. Prior to joining Team BCPS, I was a classroom teacher at the Kennedy Krieger Institute's Lower School in Baltimore City.

I am a Maryland girl at heart—I grew up in Towson, studied at St. Mary's College of Maryland, and currently live in Federal Hill with my dog, Abby.

I am excited for another fun year at LES, and I look forward to working with your child!

Best wishes,
Ms. Huck
