

Meet the TEACHER

about me

Hello All,

My name is Ms. Lenzi and I am thrilled to be teaching Art at Lansdowne Elementary. I have degrees in Fine Art and enjoy teaching the creative process in a variety of media and materials to students.

I have been working in BCPS schools for over 20 years. I am looking forward to working with grades K-5 and displaying the many wonderful artwork created in class this school year!

my favorites

I enjoy getting together with family and friends, museums, traveling, nature, and animals. I am also a sports fan.
